MANSFIELD CALLS FOR INVESTIGATION

CPYRGHT

NEWSCASTER: "A denial from the chairman of the National Student Association Supervisory Board. Samuel Brown denies a report that 7 members of the 10 man board agreed to consider a continuance of under the table financial aid from the Central Intelligence Agency. Brown said there was no sentiment at all at the meeting for trying to continue the CIA aid."

"Senate Democratic Leader Mike Mansfield says an investigation of the CIA link with student organizations is needed in addition to the one ordered yesterday by President Johnson.

"The President named former Attorney General Nicholas Katzenbach to head the inquiry. Mansfield proposes that the Senate also delve into the matter."
